

Reserva
TERRANOBLE

SAUVIGNON BLANC

COMPOSITION:

100% Sauvignon Blanc

ORIGIN:

Casablanca Valley

HARVEST DATE:

Depending on the clone, between March 15 and April 5

AGING:

100% of the wine was kept in stainless steel tanks

TASTING NOTES:

Of bright pale yellow color with greenish hues, this wine displays intense and elegant aromas of citric and tropical fruits, with notes of green pepper. It feels very fresh on the palate, with a good balance, a pleasing acidity and a long persistence.

PAIRING:

Ideal as an aperitif and to drink along with fish and seafood.

SERVING TEMPERATURE:

Best served between 9°C - 11°C.
