

## LAHUEN AND CARMENERE CA2 COSTA 2018 SELECTED AS 'WINES OF THE YEAR' BY TIM ATKIN

We are delighted to communicate that in his Chile 2021 Report, the international renowned wine critic and Master of Wine Tim Atkin (timatkin.com) selected our Lahuen 2018 as one of the Wines of the Year in the 'Other Blend' category and our Carmenerere CA 2 Costa 2018 in the 'Carmenerere' category.

### LAHUEN

Lahuen is made with the best lots at TerraNoble in any given year, combining fruit from the Maipo and Colchagua Valleys. In 2018, it's a cuvée of Cabernet Sauvignon with 40% Syrah, Carmenerere, Cabernet Franc and Malbec. Much more than the sum of its parts, this has bramble, blackcurrant and tangerine notes, subtle mocha oak, caressing tannins and wonderful length.

### CA2 / CARMENERERE COSTA

CA2 comes from Lolol in coastal Colchagua and exhibits the perfume and texture that are typical of the best Carmenereres from the sub-region. Intense, silky and very finely balanced, this is a wine whose flavours and elegance owe as much to Cabernet Franc in style. Ripe, plush and complex, with graphite and black cherry notes.
